

CS BEEF SHOW GROWER 16%

PRODUCT CODE: 1002

FEED TYPE: Textured, Caramel-flavored

MEDICATED - BOVATEC

22 g/ton. For improved feed efficiency

CONTAINS CLARIFLY

For prevention and control of house flies, stable flies, face flies, horn flies, and manure breeding flies in the manure of treated cattle.

FEATURES & BENEFITS

- CS Beef Show Grower 16% is a complete texturized feed. Complete with steam flaked corn, oats, cottonseed hulls and beet pulp shreds, our show beef grower will help your show calves get off to the right start, after transitioning from a calf starter.
- **Multiple protein sources** to increase muscle tone and structure.
- **High vitamin levels** to help increase energy
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your show beef.
- **Health & Productivity:** CS Beef Show Grower 16% is designed to balance protein, fat, fiber, and vitamin levels to ensure optimal nutrition and performance.

FEEDING DIRECTIONS

CS Beef Show Grower 16% is specifically formulated to supply the needed energy, protein, and micro nutrients needed by growing show steers and heifers. Typical feeding rate is 9 to 15 pounds per head daily depending upon animal body weight and condition. Feed 9 to 33 pounds per head daily to provide not less than 100 nor more than 360 mg Lasalocid per head. Feed along with long stemmed hay. Provide a fresh, clean supply of water at all times.

WARNING: This feeds contains supplemental copper. Do not feed to sheep.

CAUTION: The safety of Lasalocid in unapproved species has not been established. Do not allow horses or other equines access to formulations containing Lasalocid as ingestion may be fatal. Feeding undiluted or making errors resulting in excessive concentrations of Lasalocid could be fatal to cattle and sheep. Do not feed to lactating dairy cows.

GUARANTEED ANALYSIS

Crude Protein, Minimum	16.0%
Crude Fat, Minimum	5.0%
Crude Fiber, Maximum	8.0%
Calcium,.....Min..0.7%.....Max..1.1%	
Phosphorus, Minimum.....	0.35%
Salt (NaCl),.....Min...0.30%.....Max..0.80%
