

CS SHOWTIME 28% HEIFER

PRODUCT CODE: 1010

FEED TYPE: Pelleted

NON-MEDICATED

FEATURES & BENEFITS

- CS Showtime 28% Heifer is a complete pelleted feed intended to feed to calves from weaning until 12 months of age. This pellet will work well to keep your heifers in optimal body condition. Works great to transition heifers from a starter feed.
- **Pelleted** to reduce sorting.
- **Low fat and high energy** to increase show ring performance.
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your show beef.
- **Health & Productivity:** CS Showtime 28% Heifer is designed to balance protein, mineral, and vitamin levels to ensure optimal nutrition and performance.

FEEDING DIRECTIONS

Feed to dairy cattle at the rate of 6-8 lb per head daily. Consult with your feed representative for a balanced feeding program.

WARNING: This feeds contains supplemental copper. Do not feed to sheep.

CAUTION: Follow label directions. The addition to feed of higher levels of this premix containing selenium is not permitted.
