

# BEEF BALANCER 38 AN PLAIN

PRODUCT CODE: 613

FEED TYPE: Pelleted

NON-MEDICATED

## FEATURES & BENEFITS

- Our most popular pellet and a great choice for an all-natural feeding program. All-natural protein increases palatability and improves handling compared to urea-based feed. Fortified with Vitamin A to help reduce respiratory problems and Vitamin D for proper nutrient assimilation.
- **Fixed formulations:** Our formulas use only carefully-selected premium ingredients that provide the best nutritional value.
- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your cattle.
- **Health & Productivity:** Beef Balancer 38 balances protein, fat, fiber, and vitamin levels to ensure optimal nutrition and performance.

## FEEDING DIRECTIONS

Mix in ration at 0.5 lbs to 2.0 lbs per head per day. The lower rate, generally used with excellent roughage or pasture is 200lbs. per ton at a 5 lb feeding rate of mix. The higher rate, generally used with average pasture, roughage or corn silage is 400 lbs per ton at 10 lb feeding rate of mix. A balanced mineral with vitamins should be considered when used at the lower usage or inclusion rates. Provide clean, fresh water at all times.

Bodyweight	200-300 lb	300-400 lb	400 lb to finish
Cracked Corn	1,550	1,650	1,750
BB 38%	350	300	250
Dried Molasses	100	50	—
Batch size	2,000 lb	2,000 lb	2,000 lb
