- **Expertly Formulated:** A team of experienced nutritionists create balanced formulas to meet all the nutritional needs of your show goats.
- **Health & Productivity:** CS Thick 'N' Slick R20 is designed to balance protein, mineral, and vitamin levels to ensure optimal nutrition and performance.

### FEEDING DIRECTIONS

Feed Thick "N" Slick R20 at 1.5 to 3.0% of bodyweight to goats along with good quality forage and clean, fresh drinking water.

**WARNING:** This feeds contains supplemental copper. Do not feed to sheep.

**CAUTION:** Do not allow horses or other equines access to feed containing monensin. Ingestion of monensin by horses has been fatal. Monensin medicated cattle and goat feeds are safe for use in cattle and goats only. Consumption by unapproved species may result in toxic reactions. Do not exceed the levels of monensin recommended in the feeding directions, as reduced average daily gains may result. If feed refusals containing monensin are fed to other groups of cattle, the concentration of monensin in the refusals and amount of refusals fed should be taken into consideration to prevent monensin overdosing.

### GUARANTEED ANALYSIS

Crude Protein, Min.....	15.0%
<i>This includes not more than 0.8% equivalent crude protein from non-protein nitrogen</i>	
Crude Fat, Min.....	3.0%
Crude Fiber, Max.....	16.8%
